PROFESSIONAL EXPERIENCE

Dreams International Pvt. Ltd. | Pune, Maharashtra

Nov 2024 - May 2025

- Played a key role in building and improving the frontend of several web projects, focusing on smooth user experiences and fully responsive designs.
- Integrated backend APIs using Axios to streamline data flow and boost app performance where needed.
- Built a number of reusable React Components, making the development process faster and the codebase easier to manage.
- Worked on multiple projects from development to deployment, helping ensure everything ran smoothly in real-world scenarios.
- Took the lead on complete UI overhauls for several projects, improving design, usability, and performance from the ground up.
- Worked closely with designers and backend developers to bring ideas to life, making sure everything looked and worked just right.

PROJECTS

Photography Portfolio Website | [Live Link](#)

- Designed and developed a responsive, full-stack photography portfolio application using MongoDB, Express.js, React, and Node.js (MERN).
- Implemented a JWT-secured admin panel with full CRUD functionality for albums and photos, enabling streamlined content management.
- Built a scalable RESTful API for efficient data operations and seamless frontend-backend integration.
- Integrated Multer and Cloudinary for secure and optimized image uploads.
- Developed a dynamic gallery UI featuring a masonry layout, interactive hover effects, and fullscreen lightbox mode for enhanced user engagement.
- Created a library of reusable UI components, promoting design consistency and code reusability.
- Ensured full mobile responsiveness and a modern user interface, delivering a smooth experience across all device sizes.

EDUCATION

Bachelor of Engineering | Computer Engineering

May 2024

Dhole Patil College of Engineering, Kharadi, Pune

Higher Secondary Certificate

Apr 2020

CMS English Medium Higher Secondary School, Pradhikaran, Pune

Senior Secondary Certificate

Apr 2018

Amrita Vidyalayam & Jr. College, Nigdi, Pune
